KEY ACHIEVEMENTS

2010 Good Corporate Citizen Award by Papua New Guinea Department of Labour & Industrial Relations. Recognition for Applus+ commitment to Training and Development.

Gold sponsor to Papua New Guinea 2015 Pacific Games

Accreditation No. 20469

Accredited for compliance
with ISO/IEC 17025 - Testing

In 2019 Applus+ PNG Ltd successfully achieved ISO 17025 'General Requirements for the Competence of Testing and Calibration Laboratories' accreditation by NATA (National Association of Testing Authorities, Australia) of its Port Moresby conventional NDT services and facilities. This makes Applus+ the first PNG NDT services company to hold this accreditation.

OUR SERVICES

HR Services

⊕ Contracting Services

Employment solutions tailored to the client organisation or project requirements, undertaking burden of employment of individuals through payroll services, insurance responsibility and salary wages tax as the employer of record.

⊕ Migration Services

Licensed Employment Agent with Department of Labour & Industrial Relations, we undertake advisory and facilitate lodgement of appropriate work permit or visa intended for work and entry into Papua New Guinea, aligned with the Department of Labour & Industrial Relations and Immigration & Citizenship Authority regulations.

⊕ Recruitment & Talent Acquisition

With a growing global database of over 720,000 candidates, of which over 40,000 candidates registered in Papua New Guinea, positions Applus+ as a trusted expert partner in recruitment services. Our team of specialised recruitment consultants engage in ongoing strategies focusing on long-term planning and finding appropriate candidates for positions that require a very specific skillset.

⊕ Payroll Services

Provides payroll processing solutions customised to suit client requirements, undertaking the payroll burden through pay processing, salary wages tax calculations, remittance and direct deposit transactions. This service extends to the production of pay advice slip and recording of employee entitlements accruals. Our registered office location in Port Moresby, allows us to make tax and statutory lodgement for the employee of our clients.

Non-Destructive Testing (NDT) & Inspection Services
