

CCNSG Safety passport Refresher Training

Applus + is one of the leading industrial, access and safety training companies in Scotland. The Applus + Training Centre in Grangemouth, Central Scotland, has one of the largest training schools in the UK. We are IRATA, IOSH and Quallsafe accredited and our experienced trainers bring a wealth of knowledge and experience to enhance the training experience for all delegates. Bespoke access training courses can also be provided with training being carried out at clients' sites when required. Contact us to discuss your training requirements and arrange and book your course. We provide access training, industrial safety training as well as many other courses • Work at Height Training • Confined Space access training • Rope Rescue Training • Fire Warden Training

THE Applus+ SOLUTION

The CCNSG Refresher Course should be completed every 3 years in order to remain valid. If the refresher training isn't completed within 3 months of expiry, the National 2 Day Course will need to be completed.

Target customers

This scheme is administered by the Engineering Construction Industry Training Board (ECITB) and is monitored and controlled by a national steering group known as The Client Contractor National Safety Group (CCNSG).
