

First Aid at Work QA level 2

Applus + is one of the leading industrial, access and safety training companies in Scotland. The Applus + Training Centre in Grangemouth, Central Scotland, has one of the largest training schools in the UK. We are IRATA, IOSH and Quallsafe accredited and our experienced trainers bring a wealth of knowledge and experience to enhance the training experience for all delegates. Bespoke access training courses can also be provided with training being carried out at clients' sites when required. Contact us to discuss your training requirements and arrange and book your course. We provide access training, industrial safety training as well as many other courses • Work at Height Training • Confined Space access training • Rope Rescue Training • Fire Warden Training

THE Applus+ SOLUTION

During this 1 day course, Learners will develop the skills and knowledge needed to deal with a range of emergency first aid situations, including: managing an unresponsive casualty, CPR, choking, shock, wounds and bleeding and minor injuries.

Target customers

All first aid courses run by Applus RTD are accredited to Quallsafe, an Ofqual recognised awarding organisation.

This QA Level 2 Award is a regulated and nationally recognised qualification designed for those who have a specific responsibility at work, to provide first aid in a range of emergency first aid situations. It is also ideal for people who have a specific responsibility to provide basic first aid in voluntary and community activities.
