

IOSH Managing Safely

Applus + is one of the leading industrial, access and safety training companies in Scotland. The Applus + Training Centre in Grangemouth, Central Scotland, has one of the largest training schools in the UK. We are IRATA, IOSH and Quallsafe accredited and our experienced trainers bring a wealth of knowledge and experience to enhance the training experience for all delegates. Bespoke access training courses can also be provided with training being carried out at clients' sites when required. Contact us to discuss your training requirements and arrange and book your course. We provide access training, industrial safety training as well as many other courses • Work at Height Training • Confined Space access training • Rope Rescue Training • Fire Warden Training

THE Applus+ SOLUTION

IOSH Managing Safely certificates are issued by IOSH.

The IOSH Managing Safely qualification does not expire although it is recommended that delegates refresh/resit the course every 3 years to remain up to date with current legislation.

Target customers

This course is for Line Managers and Supervisors who are responsible for teams or employees who require a basic knowledge of Health and Safety.

A dynamic and practical Health and Safety training course designed to educate line

managers on their Health, Safety and Environmental responsibilities and build confidence to put it all into practice.

The course covers all major HSE issues and provides delegates with the right level of knowledge and practical experience needed to manage key issues within their teams.

Key customer benefits

Delegates will cover the following course content:

- MODULE 1 – INTRODUCING MANAGING SAFETY
- MODULE 2 – ASSESSING RISKS
- MODULE 3 – CONTROLLING RISKS
- MODULE 4 – UNDERSTANDING YOUR RESPONSIBILITIES
- MODULE 5 – IDENTIFYING HAZARDS
- MODULE 6 – INVESTIGATING ACCIDENTS AND INCIDENTS
- MODULE 7 – MEASURING PERFORMANCE
- MODULE 8 – PROTECTING OUR ENVIRONMENT
