

IOSH Working Safely

Applus + is one of the leading industrial, access and safety training companies in Scotland. The Applus + Training Centre in Grangemouth, Central Scotland, has one of the largest training schools in the UK. We are IRATA, IOSH and Quasafe accredited and our experienced trainers bring a wealth of knowledge and experience to enhance the training experience for all delegates. Bespoke access training courses can also be provided with training being carried out at clients' sites when required. Contact us to discuss your training requirements and arrange and book your course. We provide access training, industrial safety training as well as many other courses • Work at Height Training • Confined Space access training • Rope Rescue Training • Fire Warden Training

THE Applus+ SOLUTION

IOSH Working Safely candidates receive an IOSH accredited certificate.

The IOSH Work Safely qualification does not expire although it is recommended that delegates redo the course every 3 years to remain up to date with current legislation

Target customers

The IOSH Working Safely one-day training course is for all employees and meets the government's guidelines for introductory health and safety training and conforms to the HSE's Passport Scheme syllabus.

The course covers the responsibilities when handling resources, risk in the workplace and how safety can be improved.

Key customer benefits

Delegates will cover the following course content:

- MODULE 1 – DEFINING HAZARD AND RISK
- MODULE 2 – IDENTIFYING COMMON HAZARDS
- MODULE 3 – IMPROVING SAFETY PERFORMANCE
- MODULE 4 – INTRODUCING WORKING SAFELY
- MODULE 5 – PROTECTING OUR ENVIRONMENT
