for **DNV GL**

This document has been digitally signed and will therefore not have handwritten signatures.

Raghavan Nair, Gopalakrishnan Nair
Station Manager / Principal Surveyor

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV GL AS, its parent companies and subsidiaries as well as their officers, directors and employees ("DNV GL") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Certificate No: **AOSS0000CJU**
Revision No: **1**

Application:

This approval is based upon the following conditions;

1. The requirements stated in DNV GL - Class Programme (CP-0484), 'Appendix A-1 Thickness measurements on ships and mobile offshore units' continue to be met.

2. Intermediate/Renewal Audit

- Intermediate assessment audit may be required when deemed necessary by DNV GL in the validity of the certificate.
- Renewal of the certificate shall be made at intervals not exceeding three (3) years by the verification through audits that approved conditions are being maintained.

3. In case where any alteration to the certified service operation system of the service supplier is made, then such alteration is to be reported immediately to DNV GL.

4. List of Supervisors and Operators

No	Name	Position
1	Patrick Gervais	Supervisor/Operator
2	Jeffrey Warke	Operator
