If the person who will attend the Meeting electronically has been conferred a delegation in its favour, the Shareholder who has delegated it must communicate to the representative such delegation and, in addition, unless the delegation was made electronically, a copy of the card must be sent to the Company (by post to Applus Services, S.A., Relación con Inversores / Junta General, Ronda de la Font del Carme s/n, Bellaterra, Cerdanyola del Vallés, 08193 Barcelona, or by email to [juntageneral@applus.com](mailto:juntageneral@applus.com)), together with the Identity Document or Passport of the representative, before 12:00 on the day before to the date scheduled for the General Shareholders' Meeting on first call and to identified as instructed.

### **Section 3.3.- General provisions for appointment of proxy-holders**

#### **Section 3.3.1.- General rules**

Shareholders appointing a proxy-holder by remote means of communication must notify the designated proxy-holder the representation that has been granted. For these purposes, on the date and at the place of the General Shareholders' Meeting, appointed proxy-holders shall identify themselves by their national identity card or their passport, and hand in a printed copy of their appointment as proxy-holder by post or by electronic communication, duly signed by both the proxy-holder and the principal.

The same proxy-holder may be appointed by more than one Shareholder, without limitation as for the number of represented Shareholders. If a proxy-holder is appointed by several Shareholders, he/she will be entitled to cast their votes in different directions, in accordance with the instructions provided by each Shareholder.

No Shareholder may be represented by more than one proxy-holder, neither in case of legal representation, nor in the event of a Shareholder delegating his/her right to attend the meeting. Exceptionally, financial intermediaries formally legitimated as Shareholders pursuant to the accounting registration desk of the shares, and acting in their own name but on behalf of several persons, may split their vote and cast it in a divergent direction, in accordance with different voting instructions, when

received. These intermediary entities may delegate their votes in favor of the indirect holders or third parties appointed by them, without limiting the number of proxies granted.

In those cases where, prior to the holding of the General Shareholders' Meeting, the Shareholder delivers or hands in the card with the aim to attend in person the General Shareholders' Meeting, it shall be considered that, in the event that he/she finally does not attend the meeting in person, he/she has appointed the Chairman of the Board of Directors as proxy. Such appointment shall be revoked in the event that the Shareholder finally attends the General Shareholders' Meeting in person.

#### Section 3.3.2.- Legal representation

Representation shall be granted in written, with special character for each Shareholders' Meeting, unless it is granted to the spouse, ascendant or descendant of the Shareholder or to a general attorney by public document to manage all the estate that the Shareholder holds in Spain.

Underage or unable Shareholders and corporate bodies that are Shareholders shall be represented by those holding duly accredited representation.

#### Section 3.3.3.- Scope of the representation

Unless the Shareholder expressly indicates otherwise, proxies shall be deemed to have been granted for all items included in the Agenda of the call to the meeting, and shall automatically extend to those that, even if they are not included in the Agenda, may legally be considered in the General Shareholders' Meeting, without requiring that they be included in the Agenda of the call to the meeting.

#### Section 3.3.4.- Proxies in favor of the members of the Board of Directors, its Secretary or Vice-Secretary or the senior management of the Company

All proxies not containing the identification with nominative expression of the proxy-holder will be deemed to have been granted to the Chairman of the Board of Directors, being applicable (where appropriate) the rules provided in the following section 4.4 for conflict of interest situations.

When the Chairman or any other member of the Board of Directors is appointed proxy-holder, including the Secretary Non-Director or the Vice-Secretary Non-Director, or any member of the senior management, this communication will be considered made upon the reception by the Company of the proxy granted.

#### Section 3.3.5.- Absence of the proxy-holder

Should the card contain a proxy granted to a person other than a member of the Board of Directors or the Secretary Non-Director of the Board of

Directors, the Vice-Secretary Non-Director of the Board of Directors or the senior management, and the person appointed as proxy-holder does not attend in person the General Shareholders' Meeting, such proxy shall be cancelled.

Should the card contain a proxy granted by name to any of the members of the Board of Directors other than its Chairman, the Secretary Non-Director of the Board of Directors, the Vice-Secretary Non-Director of the Board of Directors or any of the members of the senior management, and the person appointed as proxy-holder does not attend in person the General Shareholders' Meeting, the Chairman of the Board of Directors shall automatically be deemed to have been appointed as proxy in the alternative, being applicable (where appropriate) the rules provided in the following section 4.4 for conflict of interest situations.

In all cases in which a proxy is deemed to have been granted to the Chairman of the Board of Directors, if the Chairman does not attend in person the General Shareholders' Meeting, the proxy shall be deemed to have been granted to whoever acts as President of the General Shareholders' Meeting.

#### Section 3.3.6.- Specific rules on the direction of the vote

If the represented Shareholder had provided voting instructions to the appointed proxy, the proxy shall vote on the resolutions submitted to the General Shareholders' Meeting in accordance with such instructions, and he/she shall be obliged to keep the instructions for a period of one year from the holding of the General Shareholders' Meeting called.

Whenever a Shareholder granting a proxy does not provide otherwise, the Shareholder shall be deemed to have specifically instructed the proxy to vote in favor of each of the proposals made by the Board of Directors in connection with the items included in the Agenda of the meeting and, as the case may be, against the proposals not made by the Board of Directors or in connection with items not included in the Agenda of the meeting.

In the event that items not included in the Agenda of the meeting are submitted to voting in the General Shareholders' Meeting, unless express instruction of the Shareholder specified in the card, the proxy-holder shall vote against.

#### **Section 4.5.- Verification of the vote or the proxy appointment**
