DECLARATION

By submitting the present Request for Certification, the undersigned hereby undertakes that Applus’s Terms and Conditions of business as well as any additional conditions stated herein apply to this application. Besides, the undersigned represents, to the best of its informed knowledge, that the products listed below, requested for certification and specifically identified in the Certificate of Conformity issued comply with the requirements of the relevant standards and any other regulation applicable to them in case of export, in particular the declared quantity, quality, description (including the brand name, production and expiry dates, batch numbers and markings), absence of recall and/or counterfeit. The issuance by Applus of the Certificate of Conformity for such products does not release the applicant of its obligations regarding any and all discrepancies between the certified products and those that are actually shipped to the importing country and that may not comply with the above representation. The undersigned also agrees that any data, results and

documentation gathered and/or generated during the performance of this service may be shared with the authorities concerned.

Note: The execution of our services is governed by Applus’s Terms & Conditions of Business for Inspection available on our website as well as on the reverse side of our certificates In general, all imported goods may be subjected to or randomly selected for a secondary inspection and testing for both security and trade compliance purposes at the Customs territory. Applus performs the evaluation of conformity based on a random sampling of your products and on testing of limited parameters through a risk assessment approach. Thus, by signing this request form, you confirm that you are aware of the customs legislations and regulatory requirements governing the import of your products into the destination country. Applus reserves the right to charge you for re-inspection following: Abortive / Rejected inspections / Cancellation of inspection less than 24 hours prior the scheduled visit / Inspections in 2 or more locations. Please note that Exporters are not advised to ship the goods to its destination for any Verification of Conformity programme without obtaining final conformity certificate(s) from Applus. In case the exporter ships the goods without satisfactory results of inspection, testing and document review or prior to issuance of certificate(s) of conformity, then the exporter will be liable for any claim, delay, demurrages or non-conformity arising from the goods at the destination. Applus will not be responsible or liable to pay and compensation, fines or claim amount to the Exporter or Importer in these situations.
